CCS campus!

The Brick Garden

Symbolizes the loyalty and commitment of residents, students, and alumni of the Clinton Central School District.

The garden was designed by the Art and Technology students at Clinton High School.

Your donation of \$50.00 to the Clinton Central School District Foundation for an engraved brick will serve a threefold purpose:

- ❖ to honor or memorialize persons or special events
- ❖ to beautify the school grounds for student and community use
- ❖ to gather funds to further enhance the district's program
