My name is Mary Kay Vatalaro and I am running for the Clinton Board of Education. I am a 14 year resident of Clinton and the mother of two children. My son a 2021 graduate and my daughter who is in 6th grade in our Middle school. I have owned a business in the community for 14 years and have established and maintained an abundance of relationships as a result of my business and my children. My children have been involved in countless youth and school sports in our community since kindergarten, in which I've been extremely active in promoting.

I am passionate about our children's education, our impeccable teachers, my fellow parents and our stellar community. As a board member I will work hard to advocate for these key components of our school district.

We are facing difficulties in our district and we can no longer have faith in what is present. We need transparency. We need change, compassion and consistency.

Let's get back to basics. Schools are responsible for our children's academics and preparing them for a successful future. With proper leadership, communication and a pro-active Board of Education it can be done.
