

Greetings from Clinton Central School Physical Education! We hope your summer is going well and that you are able to enjoy some nice weather with family and friends.

This letter is being sent to inform you that the Physical Education uniform ordering will be done differently for the 2017-2018 school year. The online ordering process will continue during subsequent school years as well. Rather than utilizing your child's Physical Education teacher for ordering and payment, the Seasonal Sports website will be a more streamlined process. Simply visit "ssrcustomimprints.com," click "online ordering," and fill in the information. When submitting your order, you will have the option of using a debit or credit card as a "PayPal Guest." You are not required to create a PayPal account to complete the purchase. The site is currently open and accepting orders. It will remain open through September 24<sup>th</sup>. The site will re-open for the month of January for any needs that occur during the school year. Seasonal Sports will print the uniforms (Please ensure names are spelled correctly!), and deliver them to each building in individual bags. Physical Education teachers will complete the process and deliver uniforms to those who placed an order.

As always, the district will accommodate any financial concerns. Please contact your child's main office if such a concern exists.
