Fundraising Efforts Continue

Thank you for attending the dedication of this monument today. As you are well aware, Covid 19 has had an effect on everything we do in our day to day lives now. We were fortunate to raise enough money before the pandemic hit with full force to erect the monument and pedestal you see in front of you today.

Our original intention, in addition to the monument, was to present a scholarship to the school, and have it awarded yearly. With the restrictions on gathering and face to face time that took place with Covid, we were unable to reach this goal.

We are announcing today that we are kicking off a year-long effort to raise funds for the scholarship. Will you help us to achieve this goal? Any amount will be gladly appreciated.

*You may donate through the CCS website under the 911 Memorial Fund heading, or mail the check to :
September 11th Memorial Fund ,75 Chenango Ave Clinton NY 13323*

Make Checks payable to : CCSDf, Memo: September 11th Memorial.

We look forward to presenting the funds for the first of the scholarships on September 11th, 2021 to Clinton Central Schools.

Thank you from the Edward Felt Memorial Committee.
