# SURVEY

May 1, 2018

Dear Parent/Guardian,

Please indicate on the following survey below whether your child would participate in the Breakfast Program. The completed survey is to be returned to your child's teacher by Wednesday, May 16, 2018.

The New York State Legislature enacted legislation that requires public schools to initiate a School Breakfast Program for elementary school students. To determine the need in the Clinton Central School District in Grades K-5, it is necessary that we have an approximate count of how many children would buy breakfast.

The cost for breakfast (cereal, or a roll, milk and juice) would be \$1.25. Children on the free and reduced lunch schedule would be entitled to free and reduced breakfast. (Feel free to contact me if you have any questions.)

Sincerely,

  
Ellen Leuthäuser  
Principal
