

CLINTON FIELD HOCKEY PLAYS FOR

# COLE *Campbell*

Cole was diagnosed with acute myeloid leukemia on April 11, and has undergone three rounds of chemotherapy at Upstate Golisano Children's Hospital, followed by a bone marrow transplant on September 4 at Dana Farber Cancer Institute in Boston, MA.

Their family is living in Boston during Cole's recovery following the transplant and hopes to be home by Thanksgiving. He is doing well and is in high spirits!

Cole turned 12 on September 18 and has been a long time hockey player for the Clinton Comets.

Clinton field hockey is sticking together in support of Cole Campbell. The girls will be playing three games in their annual effort to help raise awareness and support the community in memory of long time devoted Clinton field hockey coach Jean Vicks.

Look for our November calendar for 35 chances to win a raffle basket or gift card. All proceeds will be sent to the Campbell Family.
