a. Elementary School – Mrs. Ellen Leuthauser –

- The 5th Grade Moving Up Ceremony will be held in front of the Middle School theater on June 17th at 10am. If there is rain, it will be delayed by an hour. Notifications will be sent via Parent Square. Due to COVID-19, many aspects of the Moving Up Ceremony will be different. Programs for the ceremony will be sent out electronically via Parent Square only. As only two adults per student will be able to attend the ceremony in-person, the district will live stream the ceremony so other family members can watch from home. The 5th Grade Moving Up Ceremony will mirror the 8th Grade ceremony. (See details in Dr. Carney's report.) Thank you to the PTA for their support and help.

b. Middle School – Dr. Shawn Carney –

- 6th grade students, teachers, & the custodial team will be planting 120 plants next week in front of the Middle School theater to make the area attractive for Moving Up Ceremonies.
- The 5th Grade and 8th Grade Moving Up Ceremonies will mirror each other. Prior to the ceremonies, the students only will watch their class slide shows in the theater. A link will be giving to families so they may watch the slide shows at home. The ceremonies will be approximately 45 minutes long. There is limited attendance and only two adults (guests) per student will be allowed to attend. Parking will be available in the bus loop and the Dollar General parking lot. Guests will line up on the school sidewalk and wait to enter the area. Guests will take turns going to a registration table where they will submit a health screening

form, contact information, and have their temperatures taken. Once seated households will be seated 6 feet apart from one another. Students will be seated in front of the brick wall closest to the theater parking lot. Ms. Sacco is scheduled to take photos of students during the 8th grade ceremony. Parents will be kept separate from students before, during, and after the ceremony to maintain COVID regulations. Adult guests will be dismissed in a staggered schedule to adhere to COVID protocols.

- Options for inclusion are being investigated for virtual families who can not participate.

c. High School – Dr. Matthew Lee –

- High school graduation will be held at the Hamilton College field house on Saturday June 19th. Each student will be allowed 6 guests. All attendees will be required to provide proof of vaccination or a negative COVID test with 72 hours of the event or have been COVID+ and recovered for 90 days. Paperwork will be required for each graduate's guests including identifying a lead contact who will reach out to the other family attendees if contract tracing is needed.
- There is a senior video that has been produced and plans are being developed to determine how it will be viewed.
- Senior Trip to Six Flags is tomorrow 6/4/21.
- Senior Prom is Saturday 6/6/21 at the Skenandoa. Seniors only will be allowed to attend.
- 6/9/21 will be the last day of classes for the Seniors. They will have remote classes from 6/10-6/11 so that there is no impact for quarantine on graduation ceremonies.
- 6/14-6/17 Seniors will take final exams.
