Spring 2015

It is once again time for Physical Education uniforms to be ordered for the fall of 2015 for students who will be entering grades 3-12. Your child may continue to use their existing uniform for the upcoming 2015-2016 school year.

**PLEASE NOTE UPDATES:**

If your child will be ordering a uniform, here are a few helpful hints –

1. If your child has a small frame now, you may want to consider one size larger in case of a growth spurt especially at the elementary level. See additional notes below for sizing.

2. **UPDATES:** To be better prepared for ordering correct sizes, the **elementary school** PE teachers will be placing their order within the first two weeks of school year of 2015-16. The middle and high school will still place their order in June.

3. PE teachers have samples of the uniforms and will help your child find the best fit.

4. If you are in need of financial assistance or have other questions, please contact Christina Buschmann. Contact information above.

5. Students **MAY NOT** alter their uniform in any manner. Student will be responsible to purchase a new uniform if altered.

6. To ensure **appropriate sizing** PE teachers will assist students when submitting order

7. Please consider making a $1 donation which will help pay for students who can not afford a uniform. Thank you.

---

**Payment to - Clinton Central School District**

--------------------------------------------------------------------------------------

Student’s First and Last Name________________________

Grade in September 2015 _______ Circle - Male or Female
