FALL 2016

Contact your
Physical
Education
Teacher with
any questions

This fall if your child will be entering grades 3-12 they will need a Clinton Physical Education uniform. **Orders will be taken the first two weeks of school.** Your child may continue to use their existing uniform for the upcoming 2016-2017 school year.

PLEASE NOTE UPDATES:

If your child will be ordering a uniform, here are a few helpful hints –

1. If your child has a small frame now, you may want to consider one size larger in case of a growth spurt especially at the elementary level. See additional notes below for sizing.
2. PE teachers have samples of the uniforms. To ensure **appropriate sizing** PE teachers will assist students when submitting order
3. If you are in need of financial assistance or have other questions, please contact your child's PE teacher.
4. Students **MAY NOT** alter their uniform in any manner. Students will be responsible to purchase a new uniform if altered.
5. Please consider making a \$1 donation which will help pay for students who can not afford a uniform. Thank you.
