FAX: (315) 557-2216
WEBSITE: WWW.CCS.EDU

Dear Seventh Grader,

We wish to welcome you to seventh grade at Clinton Middle School. We hope that you will be rested and ready for the many challenges of the 2020-21 school year.

The following suggested list has been compiled to help you purchase the appropriate supplies that each student will need during the school year. Please plan to bring these to school with you on the first day.

To help with student organization, we **highly suggest** that students **color coordinate** subject notebooks and folders. To better help with color coding, these supplies are blocked by subject on the back of this letter.

Backpacks

Backpacks will be allowed and strongly encouraged to be used during this school year. Students will have limited locker access so they will need to have a backpack to carry their supplies and materials. Please note that students will have a laptop or a Chromebook to bring back and forth from home to school.

Chromebooks and Personal Computers

The majority of our graded school work will be completed and submitted digitally. Students will be allowed to bring their personal computer to school. If your child needs a Chromebook, we will provide them with one. Families will want to provide their child with wired earbuds to be used with their computer. Additional information will be communicated home shortly about the pickup process for computers.

Physical Education

Students will not be changing for their Physical Education classes this school year. There will be no need for a physical education uniform; however, students will need to wear sneakers on the days they have their physical education class and wear attire that would allow them to be mobile.

During the first week of school, each student will receive an assignment book AGENDA to be used throughout the year.

Enjoy the rest of your summer and be safe!

Sincerely,
The Seventh Grade Teacher
